To effectively serve all the specialized and diverse needs of the medical and healthcare provider community while committing ourselves to integrity, honesty, quality and service. We dedicate ourselves and our work to our customers, suppliers and one another with the goal to serve the healthcare community to the best standards.

Company Values

Our people strive to do "the right thing" and deliver what they promise. They are committed to **hard-work** because our customers ask a lot of us and so we ask even more of ourselves. They also maintain high levels of **expertise** and **knowledge** and deliver solutions that work. They also strive to build lasting partnerships based on **collaboration**, **cooperation**, **trust**, **honesty** and **integrity** with our partners and customers.

Company Background

Medicom L.L.C was founded in 2006. The pharmaceutical products and medical equipment store section operates as a distributor and supplier of medical products, pharmaceutical products and equipment and healthcare solutions to hospitals, clinics and laboratories across the UAE.

Company Group

Medicom is a member of Modern Building Contracting Company (MBCC) Group.

The group currently employs over 2500 people. The group's staff consists of skilled engineers and labor force mainly as well as other specialized professionals. The group has established branches across the UAE in different Emirates as well as in Bahrain, Oman and Saudi Arabia.

The whole group, whose annual turnover is almost around 200 Million EUROS, is owned by H.E. Sheikh Mohammad Bin Ali Al Noaimy and Eng. Abdul Naser Al Kadri.

The Saudi Arabia MBCC branch currently has a contract for 12 medium medical centers with other several projects in the Kingdom as well.

Being the sister company of MBCC, Medicom has the advantage of using its power and resources in order to better fulfill our mission to grow and serve our customers the best we can. The MBCC website can be visited at: www.mbcc.ae.
